Article 1. Operation of Labor Compliance Program and Contracts Subject to Labor Compliance Program Jurisdiction

§16421. Composition and Components of Labor Compliance Program.

(a) In accordance with Labor Code Section 1771.5(b), a Labor Compliance Program shall include, but not be limited to, the following requirements:

(1) The Call for Bids, Design-Build Request, and the contract or purchase order shall contain appropriate language concerning the requirements of Chapter 1 of Part 7 of Division 2 of the Labor Code.

(2) A prejob conference shall be conducted before commencement of the work with contractors and subcontractors listed in the bid or who are required to be identified or prequalified in a Design-Build Contract. At the prejob conference applicable federal and state labor law requirements shall be discussed, and copies of suggested reporting forms furnished. A checklist, showing which federal and state labor law requirements were discussed, shall be kept for each conference. A checklist in the format of Appendix A presumptively meets this requirement.

(3) A requirement that certified payroll records be kept by the contractor in accordance with Labor Code Section 1776 and furnished to the Labor Compliance Program at times designated in the contract, which shall be at least monthly, or within 10 days of any request by the Awarding Body. Use of the current version of DIR's "Public Works Payroll Reporting Form" (A-1-131) and Statement of Employer Payments (PW26) constitutes presumptive compliance with the requirement for certified payroll records kept in accordance with Labor Code Section 1776, provided the forms are filled out accurately and completely. These suggested forms are available from the Department of Industrial Relations.

(4) A program for orderly review of payroll records and, if necessary, for audits to verify compliance with the requirements of Chapter 1 of Part 7 of Division 2 of the Labor Code.

(5) A prescribed routine for withholding penalties, forfeitures, and underpayment of wages for violations of the requirements of Chapter 1 of Part 7 of Division 2 of the Labor Code.

(6) All contracts to which prevailing wage requirements apply shall include a provision that

contract payments shall not be made when payroll records are delinquent or inadequate.

(b) To the extent otherwise authorized by law, an Awarding Body or a Joint Powers Authority consisting of two or more Awarding Bodies may contract with a third party to initiate and enforce all or part of its Labor Compliance Program, *provided that* the third party has been approved by the Director to operate a Labor Compliance Program in accordance with these regulations. However, this subpart (b) shall not be construed as limiting an Awarding Body's or Joint Powers Authority's authority to contract for services for the operation of its own approved Labor Compliance Program, including services by persons licensed or certified by the State of California to practice one of the following recognized professions: law, architecture, engineering, or accounting.

~~(c) A private entity that is approved by the Director to operate a Labor Compliance Program and that operates a Labor Compliance Program pursuant to a contract with an Awarding Body or a Joint Powers Authority shall have the same rights and responsibilities as the Awarding Body or Joint Powers Authority in administering the Labor Compliance Program, including but not limited to (1) complying with the conflict of interest provisions of the Political Reform Act (commencing with Section 87100 of the Government Code) including disclosure requirements for Labor Compliance Program employees and consultants who participate in making governmental decisions, as defined under Title 2 California Code of Regulations Section 18701, and (2) maintaining, disclosing, or keeping confidential personnel information, payroll records, and other information and records in accordance with Labor Code Section 1776, the California Public Records Act, (Chapter 3.5 (commencing with Section 6250), Division 7, Title 1, Government Code) and the Information Practices Act of 1977, (Title 1.8 (commencing with Section 1798), Part 4, Division 3, Civil Code).~~

(d) Nothing in this section or these regulations shall be construed as limiting the responsibility and authority of an Awarding Body to take cognizance of prevailing wage violations under Section 1726 of the Labor Code and take any appropriate action pursuant to and in accordance with that responsibility and authority.

(e) It is the responsibility of a Labor Compliance Program to enforce prevailing wage requirements, consistent with the policy of the state as expressed in Labor Code Section 90.5(a).

A Labor Compliance Program shall take reasonable, vigorous, and prompt action to (1) determine whether violations exist, and (2) enforce compliance, including through imposition of appropriate penalties and formal enforcement action, when violations are found. A Labor Compliance Program shall neither avoid use of its enforcement authority based on cost considerations nor shall it use that authority in an unreasonable manner to gain leverage over a contractor or subcontractor. Unreasonable use of enforcement authority includes, but is not necessarily limited to, prolonged or excessive withholdings of contract payments without making a determination that a violation has occurred.

(f) The failure of an Awarding Body or Labor Compliance Program to comply with any requirement imposed by this subchapter shall not of itself constitute a defense to the failure to pay prevailing wages or to comply with any other obligation imposed by Chapter 1 (commencing with Section 1720), Part 7, Division 2 of the Labor Code.

§16423. Approved Labor Compliance Program Required by Statute.

(a) Whenever an Awarding Body is required by statute to enforce or contract to enforce a Labor Compliance Program that contains or meets the requirements of Labor Code section 1771.5, the Awarding Body must have its own program that has been approved by the Director pursuant to section 16425 below, unless it either (1) fully contracts out its responsibilities and decision-making authority to a third party program that has been approved by the Director pursuant to section 16426 below, or (2) has agreed to pay a fee to the Department of Industrial Relations for monitoring and enforcement pursuant to Subchapter 4.5 below.

(b) The governing board of any Awarding Body that is required to enforce a Labor Compliance Program under subpart (a) above shall make a written finding that the Awarding Body has

(1) established its own Labor Compliance Program in accordance with the requirements of Labor Code Section 1771.5(b) and this subchapter; ~~or~~

(2) has contracted with a third party that has been approved by the Director to operate a Labor Compliance Program in accordance with the requirements of Labor Code Section 1771.5(b) and this subchapter; or

(3) has entered into an agreement with the Labor Commissioner for monitoring and enforcement pursuant to Subchapter 4.5 below.

Copies of the finding required by this subpart (b) together with (A) notice of whether or not the Awarding Body intends to initiate and enforce its Labor Compliance Program either for (i) all public works projects in which the Awarding Body participates or (ii) only those public works projects in which the Awarding Body participates that are subject to the notice, fees, and fee waiver provisions of Article 1 of Subchapter 4.5 (beginning with section 16450) below, and, if applicable, (B) notice of any contract or agreement with a third party to operate a Labor Compliance Program, shall be provided promptly to the Director and prior to certifying to any other entity that the Awarding Body has complied with the statutory requirement to have a Labor Compliance Program.

(c) For purposes of these regulations, an approved program refers to the entity that has applied

for and received approval by the Director based on a consideration of the factors in sections 16425, 16426, or 16427 below, and not to that entity's manual or methodology for conducting labor compliance enforcement.

(d) Unless otherwise required by statute, an Awarding Body is not required to have separate Labor Compliance Programs, and a third party Labor Compliance Program is not required to have separate approvals from the Director for different types of projects or funding sources, provided that (1) the Awarding Body has provided all notices required by subpart (b) above, (2) the Labor Compliance Program has timely filed all reports required by this subchapter, and (3) the Director has not otherwise limited the approved scope of operation for the Labor Compliance Program.

(e) The limited exemption from payment of prevailing wages provided by Labor Code Section 1771.5(a) shall *not* apply unless the Awarding Body elects to initiate and enforces a Labor Compliance Program for every public works project under the authority of the Awarding Body.

(f) A list of statutes that require Awarding Bodies to have a Labor Compliance Program as a condition of project authorization, project funding, or use of specified contracting authority shall be maintained on the Department of Industrial Relations' website.

§16427. Extended Authority.

(a) An Awarding Body or third party entity which has operated a Labor Compliance Program with active enforcement responsibilities for at least three consecutive years after initial approval may apply to the Director for extended authority. The applicant must have a record of submitting and obtaining approvals of forfeitures pursuant to section 16437 of these regulations and bears the burden of producing evidence that it meets the criteria in subpart (b) below.

(b) The Director may grant extended authority to an applicant that has satisfactorily demonstrated its understanding of and ability to monitor and enforce compliance with the

Proposed Amendments to Regulations governing LCPs with proposals for New Regulations Governing Compliance Monitoring by Department of Industrial Relations [November 5, 2009]

requirements of the Labor Code and these regulations, and that has filed timely, complete, and accurate reports as required by these regulations.

(c) The Director shall notify the applicant within 90 days of the receipt of a request for extended authority that the request is granted and the effective date of and extent of any extended authority that is granted, or that the request is denied and the reason for the denial.

(d) A Labor Compliance Program with extended authority may enter into an agreement with the Labor Commissioner providing for different procedures for securing approval of forfeitures than those set forth in section 16437 below.

(e) Any Labor Compliance Program with final approval on the effective date of the amendments changing “final approval” to “extended authority” shall automatically be converted to the status of having “extended authority.” The Director will maintain a list of Labor Compliance Programs with extended authority, for distribution to interested parties upon request. The Director may agree to alternative reporting formats under section 16431 of these regulations for such programs, and shall maintain a list of interested parties who wish notification of alternative reporting formats before adoption.

(f) For good cause, which shall include but not be limited to the failure within a three year period to request and obtain any approvals of forfeitures pursuant to section 16437 of these regulations, the Director may withdraw a program’s Extended Authority.

NOTE: Authority cited: Section 1773.5, Labor Code. Reference: Sections 1771.5, Labor Code.

§16428. Revocation of Approval.

(a) The Director may revoke approval of a Labor Compliance Program after giving due notice, conducting a hearing if appropriate, and finding cause for revocation. Cause for revocation of approval includes, but is not limited to:

(1) Failure of the Labor Compliance Program to monitor compliance with the requirements of the Labor Code and these regulations or to take appropriate enforcement action for violations of which it becomes or should have become cognizant, provided that the failure is (A) serious or sustained, (B) harmful to the interests of workers employed on a project for which the Labor

Compliance Program has monitoring and enforcement responsibilities, and (C) not based on a good faith interpretation of legal requirements or the current enforcement practices of the Labor Commissioner;

(2) Failure of the Labor Compliance Program to file timely, complete, and accurate reports to the Director as required by section 16431 or elsewhere in these regulations.;

(3) A pattern of failures in hearings conducted pursuant to Labor Code Section 1742(b) either (A) to establish violations under Labor Code Sections 1775(a) and 1776(g) for which contract payments have been withheld or (B) to comply with the requirements imposed on enforcing agencies or their representatives in the prevailing wage hearing regulations at sections 17201 – 17270 of Title 8 of the California Code of Regulations;

(4) Failure to comply with applicable laws and reporting requirements pertaining to conflicts of interest and the handling of personnel and payroll records and information;

(5) Failure to comply with requirements imposed on Labor Compliance Programs by statute or these regulations or with any terms, conditions, or restrictions imposed by the Director on the Labor Compliance Program's approval.

(b) Interested parties may request the Director to revoke approval of a Labor Compliance Program. A request for revocation shall include evidence of failure of the Labor Compliance Program to monitor compliance with the requirements of the Labor Code and these regulations or to take enforcement action after becoming cognizant of a violation of the Labor Code or these regulations. A request for revocation shall also include any other relevant evidence. When submitting a request for revocation pursuant to this subpart, an interested party shall also provide a complete copy of the request and all supporting evidence to the Labor Compliance Program.

(1) Approval of a Labor Compliance Program may be revoked by the Director based on a request by an interested party after a proceeding conducted as provided in subpart (a) above. A copy of the request for revocation shall be provided to the Awarding Body as part of the notice required under subpart (a) above.

(2) As part of a proceeding for revocation of approval based on a request by an interested party, the Director may require the Labor Compliance Program to furnish a supplemental report for the

period between the ending date of the last annual report filed by the Labor Compliance Program pursuant to section 16431 and the date of notice by the Director, and containing the information listed in subpart (a) of said section 16431.

(3) Revocation of approval of a Labor Compliance Program based on a request by an interested party is solely within the discretion of the Director. The duty to operate a Labor Compliance Program in accordance with the requirements of this subchapter runs solely to the Director and not to any worker, contractor, or interested party. The sole remedy for failure to comply with this duty is revocation of approval by the Director.

(c) Upon determining that the request for revocation will be denied without hearing, the Director shall give notice of the decision and of the reasons therefore by mail to the Labor Compliance Program, any Awarding Body or Joint Powers Authority that has contracted with the Labor Compliance Program pursuant to section 16421(b) above, and any interested party that requested revocation.

(d) Upon determining that a hearing is necessary, the parties will be notified and a hearing on cause for revocation of Labor Compliance Program approval will be held in accordance with the procedures for notice and hearing proceedings set forth in section 16304 of Title 8 of the California Code of Regulations.

(e) The Labor Commissioner is authorized to conduct investigations into whether a Labor Compliance Program has operated in accordance with the requirements of this subchapter and to participate in the role of prosecutor in any revocation proceedings. The Director shall make all final determinations.

(f) Nothing in this section shall be construed as (1) requiring the Director to extend any approval granted on a temporary or interim basis pursuant to sections 16425 or 16426 above or (2) restricting the Director's authority to impose conditions or restrictions on a Labor Compliance Program's approval in lieu of revocation.

(b) The annual report shall be made on the appropriate form [LCP-AR1, LCP-AR2, or LCP-AR3], for the type of Labor Compliance Program that is submitting the report, unless the Director has agreed to a different reporting format for a Program that has been granted extended authority under section 16427 above. §16452. Fees for Compliance Monitoring by Department of Industrial Relations

(a) The fee for services under this subchapter shall be as follows:

(1) For any project subject to the requirements of this subchapter solely by reason of the receipt of state-issued bond funds, the fee shall be one-fourth of one percent of the funds released by the funding agency for the project;

(2) For any other project, the fee shall be equal to the greater of the following:

(A) one-fourth of one percent of the proceeds of any state-issued bond funds that have been provided for the project, or

(B) one-fourth of one percent of the total project costs.

(3) For purposes of this section, the term “total project costs” shall not include amounts paid for land acquisition.

(4) In the case of an ongoing project for which the awarding body is seeking to pay a fee to the Department of Industrial Relations for monitoring and enforcement in lieu of contracting with a third party for continued enforcement of a labor compliance program, the Department may agree to accept a lesser or pro rata fee, depending upon the projected volume of monitoring and enforcement that remains to be done on the project.

(b) The fees required by this section shall be paid at the time the Awarding Body is required to provide the notice specified in section 16451(a) above.

(c) Fees collected pursuant to this section shall be deposited in the State Public Works Enforcement Fund and shall be used only for the monitoring and enforcement of prevailing wage requirements on projects subject to the fee.

(d) The Director may enter into agreements with any agency that awards state-bond funds for public works projects for the purpose of receiving notice and direct payment of the fee specified

in subpart (a)(1) or (a)(2)(A) above at the time the funds are released.

(a) An Awarding Body that is required by any existing statute to operate or enforce a labor compliance program or to contract with a third party to operate or enforce a labor compliance program may request the Labor Commissioner to provide the services specified in this subchapter in lieu of operating or enforcing its own labor compliance program or contracting with another third party program for the labor compliance program services specified in subchapter 4.

(b) The fee for services provided pursuant to this section shall be determined in the manner specified in section 16452 above, including any negotiated reduction, as authorized by subpart (a)(4) of section 16452.

(c) Services shall be provided under this section only by agreement, in writing, between the Awarding Body and the Labor Commissioner. The Labor Commissioner may decline to enter into any agreement where the available fee will not provide adequate funding or the Labor Commissioner lacks sufficient staff or resources to provide the services contemplated by this subchapter for the project in question.

(a) An Awarding Body that operates an approved Labor Compliance Program for all public works projects in which the Awarding Body participates shall not be subject to the fees, notices, or compliance monitoring provisions of this subchapter, provided that it remains in compliance with the requirements of subchapter 4 (sections 16421 through 16439) and continues to monitor and enforce compliance on all of its projects, including projects that otherwise would be subject to this subchapter.

(b) An Awarding Body that operates an approved Labor Compliance Program only for those public works projects in which the Awarding Body participates that are subject to this subchapter pursuant to subparts (a) or (b) of section 16450 above, shall be exempt from the fees due under section 16452 above and shall not be subject to the compliance monitoring provisions of Article 2 of this subchapter (commencing with section 16460), provided that (1) it has provided the notices required by sections 16423(b) and 16451 above; (2) it remains in compliance with the requirements of subchapter 4 (sections 16421 through 16439); and (3) it continues to monitor and enforce compliance on all projects subject to this subchapter.

compliance responsibilities in whole or in part to a third party.

(d) An Awarding Body that is exempt from the requirements of this subchapter as specified in this section shall be entitled to obtain or withhold the fees specified in section 16452 above for the purpose of funding its own labor compliance enforcement activities to the extent authorized by any funding agency and any other applicable law.

Article 2. Compliance Monitoring by Labor Commissioner

§16460. Establishment of Compliance and Monitoring Unit.

(a) For the purposes of carrying out the labor compliance monitoring and enforcement responsibilities prescribed by Labor Code Section 1771.55 and the regulations in this subpart, the Labor Commissioner shall establish a Compliance Monitoring Unit within the Division of Labor Standards Enforcement.

(b) Nothing in this subchapter shall be construed as (1) limiting the responsibility and authority of an Awarding Body to take cognizance of prevailing wage violations under Labor Code Section 1726 and take any appropriate action pursuant to and in accordance with that responsibility and authority, or (2) precluding any other remedies otherwise authorized by law to remedy violations of Division 2, Part 7, Chapter 1 of the Labor Code.

NOTE: Authority cited: Sections 54, 55, 1771.55 and 1773.5, Labor Code. Reference: Sections 1726, 1741, 1771.2, 1771.5, 1771.55, and 1781, Labor Code.

§16461. Review of Payroll Records and other Monitoring and Investigative Activities of Compliance and Monitoring Unit.

(a) The function of the Compliance and Monitoring Unit is to ensure that public works contractors performing work in the execution of a contract, on projects for which a fee is paid to the Department of Industrial Relations, comply with the prevailing wage requirements found in

the Public Works Chapter of the Labor Code. Among other things, this regulation is intended to (1) provide the Compliance and Monitoring Unit, Awarding Bodies, public works contractors, and representatives of the Department of Industrial Relations and the Division of Labor Standards Enforcement with common terminology as they perform their respective roles in prevailing wage compliance, and (2) set forth the manner in which the Compliance and Monitoring Unit will ensure compliance with and enforcement of prevailing wage laws on public works projects.

(b) Contractors and subcontractors shall keep accurate payroll records in accordance with Labor Code Section 1776, and such records shall be furnished to the Compliance and Monitoring Unit at times designated by the Awarding Body in the contract, which shall be at least monthly, or within 10 days of any separate request by the Compliance and Monitoring Unit. Payroll records shall be furnished in a format prescribed by section 16401 of Title 8 of the California Code of Regulations, with use of the current version of DIR's "Public Works Payroll Reporting Form" (A-1-131) and "Statement of Employer Payments" (DLSE Form PW26) constituting presumptive compliance with this requirement, provided the forms are filled out accurately and completely. In lieu of paper forms, the Compliance and Monitoring Unit may provide for and require the electronic submission of certified payroll reports.

(c) Payroll records timely furnished by contractors and subcontractors in accordance with this section shall be reviewed by the Compliance and Monitoring Unit as promptly as practicable after receipt thereof, but in no event more than 30 days after such receipt. "Review" for this purpose means the inspection of the records furnished to determine whether (1) all appropriate data elements identified in Labor Code Section 1776(a) have been reported; (2) certification forms have been completed and signed in compliance with Labor Code Section 1776(b); and (3) no less than the correct prevailing wage rates have been reported as paid for each classification of labor listed thereon.

(d) On a random basis and such other times as it deems appropriate, the Compliance and Monitoring Unit may also confirm the accuracy of payroll reports. "Confirmation" for this purpose means the corroboration of information in payroll reports through independent sources, including without limitation worker interviews, examination of any time and pay records found

within the definition of "Payroll Records" in section 16000 of Title 8 of the California Code of Regulations, direct verification of "Employer Payments" (as defined at section 16000 of Title 8 of the California Code of Regulations) through third-party recipients of those payments, or any other legal and reasonable method of corroboration. As part of its confirmation process, the Compliance and Monitoring Unit may require contractors and subcontractors to furnish for inspection itemized statements prepared in accordance with Labor Code Section 226. The Compliance and Monitoring Unit may conduct random confirmation based on a recognized statistical sampling of the records submitted.

(e) Representatives of the Compliance and Monitoring Unit may conduct in-person inspection(s) at the site or sites at which the contract for public work is being performed ("On-Site Visits"). On-Site Visits may be undertaken randomly or as deemed necessary by the Compliance and Monitoring Unit. On-Site Visits may include visual inspection of required job site notices, including but not limited to (1) the determination(s) of the Director of Industrial Relations of the prevailing wage rate of per diem wages required to be posted at each job site in compliance with Labor Code Section 1773.2; (2) the Notice of pay days and time and place of payment required by Labor Code Section 207; and (3) the form prescribed by section 16451(d) above. On-Site Visits may also include inspections of records, inspections of the work site and observation of work activities, interviews of workers and others involved with the project, and any other activities deemed necessary by the Compliance and Monitoring Unit to ensure compliance with prevailing wage requirements. In accordance with Labor Code Section 90, the Compliance and Monitoring Unit shall have free access to any construction site or other place of labor and may obtain any information or statistics pertaining to the lawful duties of the Labor Commissioner, including but not limited to evidence of compliance with Labor Code Section 226 [itemized wage statements for employees] and any other laws enforced by the Labor Commissioner.

(f) An Audit shall be prepared by the Compliance and Monitoring Unit upon determining that there has been a violation of the Public Works Chapter of the Labor Code resulting in the underpayment of wages. An "Audit" for this purpose means as a written summary reflecting prevailing wage deficiencies for each underpaid worker, and including any penalties to be assessed under Labor Code Sections 1775 and 1813.

§16462. Complaints.

(a) The Compliance and Monitoring Unit shall accept complaints from workers or members of the public alleging nonpayment of the required minimum rates of pay to workers or other violations of the prevailing wage laws on projects that are subject to this subchapter. Complaints shall be filed in writing with the Division of Labor Standards Enforcement as soon as the alleged violation is known. The Division may, in its discretion, determine not to investigate claims filed more than 90 days after the completion of the project.

(b) The Compliance and Monitoring Unit shall notify the contractor and subcontractor of any non-compliance as soon as practicable where such notice may enable the contractor or subcontractor to correct the non-compliance. This early notice may describe the nature of the violation only, and it is not necessary that the notice include a full summary of any unpaid wages due.

§16463. Withholding of Contract Payments When Payroll Records are Delinquent or Inadequate.

(a) "Withhold" means to cease payments by the Awarding Body, or others who pay on its behalf, or agents, to the general contractor. Where the violation is by a subcontractor, the general contractor shall be notified of the nature of the violation and reference made to its rights under Labor Code Section 1729.

(b) "Contracts." Except as otherwise provided by agreement, only contracts under a single master contract, including a Design-Build contract, or contracts entered into as stages of a single project, may be the subject of withholding.

(c) "Delinquent payroll records" means those not submitted on the date set in the contract.

(d) "Inadequate payroll records" are any one of the following:

- (1) A record lacking any of the information required by Labor Code Section 1776;
- (2) A record which contains all of the required information but is not certified, or is certified by someone who is not an agent of the contractor or subcontractor;
- (3) A record remaining uncorrected for one payroll period after the Labor Compliance Program has given the contractor or subcontractor notice of inaccuracies detected by audit or record review. However, prompt correction will stop any duty to withhold if such inaccuracies do not amount to one (1) percent of the entire Certified Weekly Payroll in dollar value and do not affect more than half the persons listed as workers employed on that Certified Weekly Payroll, as defined in Labor Code Section 1776 and section 16401 of Title 8 of the California Code of Regulations.
- (e) The Labor Commissioner may require the Awarding Body to withhold contract payments when payroll records are delinquent or inadequate. The amount withheld shall be limited to those payments due or estimated to be due to the contractor or subcontractor whose payroll records are delinquent or inadequate, plus any additional amount that the Labor Commissioner has reasonable cause to believe may be needed to cover a back wage and penalty assessment against the contractor or subcontractor whose payroll records are delinquent or inadequate; provided that a contractor shall be required in turn to cease all payments to a subcontractor whose payroll records are delinquent or inadequate until the Labor Commissioner provides notice that the subcontractor has cured the delinquency or deficiency.
- (f) When contract payments are withheld under this section, the Labor Commissioner shall provide the contractor and subcontractor, if applicable, with immediate written notice that includes all of the following: (1) a statement that payments are being withheld due to delinquent or inadequate payroll records, and that identifies what records are missing or states why records that have been submitted are deemed inadequate; (2) specifies what amounts the Awarding Body has been directed to withhold; and (3) informs the contractor or subcontractor of the right to request an expedited hearing to review the withholding of contract payments under Labor Code Section 1742, limited to the issue of whether the records are delinquent or inadequate or the Labor Commissioner has exceeded his or her authority under this section.
- (g) No contract payments shall be withheld solely on the basis of delinquent or inadequate

payroll records after the required records have been produced.

(h) In addition to withholding contract payments based on delinquent or inadequate payroll records, penalties may be assessed under Labor Code Section 1776(g) for failure to timely comply with a written request for certified payroll records.

If the Compliance and Monitoring Unit determines that there has been any violation of Division 2, Part 7, Chapter 1 of the Labor Code, the Labor Commissioner shall issue and serve a Civil Wage and Penalty Assessment to the contractor or subcontractor or both, in accordance with the requirements of Labor Code Section 1741.
